“It is NOT IF an officer will be physically attacked it is WHEN that compromises their LIFE! The “SCAT™” Survival program was first developed by Dave Young in 1990 ORIGINALLY FOR Calibre Press and presented to officers from around the country. This Officer Survival Course will focus on increasing your ability in winning physical attacks and assaults when confronted with violent and dangerous subject(s). We will address the emotional strength, mental conditioning and physical skills needed to the fight both in the street and in the courtroom. You can add EVERYTHING in this class to your current training and was designed to fit within ALL of your use of force policies!

We will address the 5 most common dangerous threats facing law enforcement and corrections in today’s society. Last year was the highest officer recorded deaths to gun fights and physical assaults and not only affects your life but the other officers around you. The itinerary for this course will focus on how to tactics for winning a gun fight, counter ambush tactics, surviving knife attacks, ground encounters and multiple attacks and so much more.

Topics covered in this program are:

- How to read non-verbal cues in physical confrontations
- Strategies for handgun protection tactics
- Physical Survival Strategies that will keep you alive
- Drills for increasing hand and eye coordination
- Power Development
- Officer Survival Exercises
- Gunfight battle exercises
- Mini Knife - Confrontation Drills
- Ground Combat Tactics
- Tactics for surviving “Dirty Knife Attacks”
- Officer survival options for “Alternative Force Options”
- Counter Ambush Tactics
- Much more!

National Retail Federation:

Vistelar is the preferred conflict management vendor of choice for NRF members. NRF partnered with Vistelar because they are the leaders in providing training programs designed to prevent and manage conflict by using non-escalatory and de-escalatory verbalization skills.

International Association of Campus Law Enforcement Administrators:

We are proud to be IACLEA's conflict management training partner. Unlike other de-escalation programs available, Vistelar's trainings bring unique enhancements such as Non-Escalation, tools for ending an interaction successfully, an emphasis on recognizing and responding to a threat as well as providing physical alternatives.

International Association of Director's of Law Enforcement Standards & Training:

Vistelar is extremely proud to announce that our four-day conflict management instructor school (Verbal Defense & Influence for Law Enforcement Professionals) has been nationally certified by the International Association of Directors of Law Enforcement (IADLEST).

With this certification, Vistelar's non-escalation, de-escalation and crisis intervention instructor course is now accepted by all participating P.O.S.T. organizations. In other words, the course may qualify for continuing education credit through your state P.O.S.T. if the state recognizes the IADLEST certification.
